CERTIFICATION OF EXEMPTION FROM ETHICS REVIEW

This is to certify that Mr./Mr/s. _____ from the
_____ Department will be undertaking a research project entitled "*Speech Acts in Language Domains*." The study does not involve human or animal subjects and is therefore exempt from the standard ethics review process. The researcher affirms their commitment to upholding all relevant institutional and professional ethical standards throughout the course of the study. This certification serves as official confirmation that the research is exempt from further ethical review, in accordance with compliance and documentation requirements.

This certification was issued on **(Date of Review)** at Kidapawan Doctors College, Incorporated.

Research Instructor

Program Head

Vice President for Academic Affairs
