CERTIFICATION

TO WHOM IT MAY CONCERN:

This is to certify that the manuscript entitled **"TITLE OF THE RESEARCH PAPER"** has undergone a comprehensive qualitative data analysis review conducted by the undersigned.

The review encompassed a rigorous examination and validation of the qualitative data submitted by the researchers to ensure accuracy, consistency, and validity. The process involved detailed data validation, including checking for completeness, relevance, and accuracy. Qualitative analysis methods were meticulously applied and verified for appropriateness.

This certification is issued on **(Date of Review)**.

Data Analyst
